Japan Bowl Ontario 2022

Japanese Language & Culture Competition for High School Students

We are very pleased to announce that we are celebrating the 5th anniversary of the Japan Bowl Ontario and the program will be back virtually on Saturday, March 19th, 2022.

The Japan Bowl Ontario is an annual Japanese language and culture competition for high school students in Ontario, co-hosted by Huron University College and the Japan Society. It is inspired and supported by the Japan Bowl®, initiated and developed by the Japan-America Society of Washington DC in 1992, and supported by Her Imperial Highness Princess Takamado as a Honorary Patron.

The Japan Bowl Ontario is designed to demonstrate achievement of knowledge of Japanese language, culture, society, daily life, history, geography, and current events. For the students, it provides opportunity to challenge and enjoy their study. Our goal is to strengthen students' interest in Japan and encourage them to continue their connection with Japan and deepen further understanding of Japan in their future. Previous winning teams have been invited to the Japanese Ministry of Foreign Affairs' *Kakehashi Project* to visit Japan.

We welcome both financial and in-kind support for the Japan Bowl Ontario. Many foundations, corporations, and individuals in the United States have found that supporting the Japan Bowl® is an excellent way to demonstrate support for foreign language and global studies. The understanding of culture is a fundamental for building strong relations between Canada and Japan. We strongly believe this program will provide an opportunity to reach out, recognize, and reward the students themselves.

We thank you for your support in this program and should you have any questions or concerns, please never hesitate to contact us at admin@japansocietycanada.com.

Sincerely yours,

The Japan Bowl Ontario Organizers
